

Ashgate Hospice

On Wednesday 28th January we held our very first 'Heage Sparkle Walk'. It was a fantastic community event held at our primary school to raise money for Ashgate Hospice. Pupils, families and staff took part in a 30-minute sponsored walk around the school grounds, lighting up the field with flashing, colourful lights as music played throughout the evening. It was wonderful to see families coming together, chatting, laughing and enjoying such a positive atmosphere. The feedback from everyone involved has been amazing, and we are proud to have raised almost £800 in support of Ashgate Hospice. ✨💛
