## Science

This term in Science, we will be collecting data about plants and insects. The children will learn how to record this information carefully and how to present it using charts and tables.

We will also be learning about different animal habitats and exploring how humans can affect these environments.

Later in the term, we will look at deforestation and discuss the impact it has on habitats in the UK and around the world.

## Geography

A region in Europe – Paris (France)

This half term we will be using our map skills to locate France. We will be looking at different regions within each country and identifying geographical, human and physical features of the UK and comparing them to France. We will then take a closer look at landmarks in the Capital of France - Paris and our Capital – London as well as our own village- Heage.
